
**The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage contact www.benefitoptions.az.gov or call 1-800-304-3687 or 602 542-5008 to request a copy. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. | Important Questions | Answers | Why This Matters: |
|---|---|---|
| **What is the overall deductible?** | In-network **$1,000** employee **/ $2,000** family<br>Out-of-network **$2,000** employee **/ $4,000** family | You must pay all the costs up to the deductible amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the deductible starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the deductible. |
| **Are there services covered before you meet your deductible?** | Yes, In-network Preventive Care | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. |
| **Are there other deductibles for specific services?** | No | You don't have to meet deductibles for specific services. |
| **What is the out-of-pocket limit for this plan?** | Yes. In-network **$1,500** employee / **$3,000** family<br>Out-of-network **$7,000** employee / **$14,000** family | The out-of-pocket limit is the most you could pay in a year of covered services. |
| **What is not included in the out-of-pocket limit?** | Premiums and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit. |
| **Will you pay less if you use a network provider?** | Yes. See **www.benefitoptions.az.gov** or call **1-602-542-5008 or 1-800-304-3687** for a list of participating providers. | This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). |
| **Do you need a referral to see a specialist?** | No | You can see the specialist you choose without a referral. |

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
